2017

Celebrating America's Health Centers: The Key to Healthier Communities

Join us as we celebrate America's Health Centers during National Health Center Week, August 13-19, 2017. Please visit HealthCenterWeek.org for more information and events in your area.

Join Greater Lawrence Family Health Center as we celebrate National Health Center Week during the week of August 13 -19.

National Health Center Week is an annual event held by the National Association of Community Health Centers to, in their words, "celebrate the work and services Health Centers provide to special populations within their community."

All week, we'll have **health screenings**, **information** on our programs and services, **fun activities** for kids, **refreshments** and a whole lot more at each of our sites throughout the Greater Lawrence area.

Come meet us at any one of our scheduled events, which are all **free and open to the public**.

We look forward to seeing you there!
